PARENT CUE CARD JUNE 28

WHAT YOU NEED:

whole milk, shallow pan, food coloring, cotton swab, dish soap

WHAT YOU DO:

Pour the milk into the pan, filling it to about a half inch deep. Let everyone take turns dropping a couple of drops of food coloring into the pan, spacing out the drops and colors. Make sure everyone knows not to bump or shake the pan. Then dip one end of a cotton swab into some dish soap—saturating it, but not so much that it drips soap droplets into the pan of milk. Carefully dip the cotton swab next to a drop of color and watch the reaction. Do this a few times, so everyone has a chance to give it a try. See how many designs and swirls you can make before all the colors start to run together.

PRAY TOGETHER:

“Dear God, we want to be people who see others the way You see them. We know that You value each and every person You made. We want to value others, too—no matter what we might have in common or what our differences might be. Help us to see people as You see them, and forgive us when we fall short of that. Thank You for loving us the way You do. In Jesus name, amen.”
