first look™

HEY FAMILIES,

Hope you enjoyed watching the Bible story!

We are learning that the Bible is worth more than thousands of pieces of gold and silver!”

PRAY TOGETHER!

“Dear God, thank You for friends. Thank You that we can play with them and laugh with them and eat with them. And thank You for loving us so much that You gave us Your Son, Jesus, to be our friend forever. We love You, God. In Jesus’ name, amen.”

ACTIVITY 1: LINE TANGLE

What You Need: “Line Tangle” Activity Page, white copy paper, and crayons

What You Do:

Give each child an Activity Page and a crayon. Help the children use the crayon to follow the line maze from the Bible to the house on the rock.

What You Say:

“Nice work! You found the line from the Bible to the house on the rock! God gives us the Bible to tell us how to live. What is better than gold? The Bible is better than gold!”

“The Bible is better than gold!”

ACTIVITY 1: LINE TANGLING

The Bible tells us how to live.
House on a Rock • Matthew 7:24-27

ACTIVITY 2: SAND VS. ROCK BUILDING

What You Need: LEGO blocks, a sheet or a large piece of butcher paper, and floor tape

What You Do:

Use the floor tape to create a three-foot square on the floor. A few feet away, lay the sheet or butcher paper on the floor. Place the LEGO blocks between the taped square and the sheet/butcher paper. Encourage the children to build a house with the LEGO blocks on the “rock” (the floor taped square) or the sand (the sheet/ butcher paper). Once their houses are built, move the sheet/butcher paper to make the house fall. Children can rebuild the house on the “sand” as time and interest allow.

What You Say:

““That was super fun building! When we don't listen to God's words, we're not safe. We didn't build this house on a safe surface. (Point to the sheet/butcher paper.) Houses built on sand will fall! That's why we need to listen to God's words and follow how He tells us to live. I'm so thankful God has given us the Bible. **What is better than gold? The Bible is better than gold.**”
