

KIDZ ROCK PRESCHOOL HOME ACTIVITY

JUNE 28

Memory Verse:

“Your teachings
are worth more to
me than thousands
of pieces of gold
and silver.”

PSALM 119:72, NCV

Bottom Line:

The Bible
is better
than gold.

first look™

HEY FAMILIES,

Hope you enjoyed watching the Bible story!

We are learning that the Bible is worth more than thousands of pieces of gold and silver!

PRAY TOGETHER!

“Dear God, thank You for all of the good things You have given us. We have so much. Please help us to share what we have instead of keeping it for ourselves. We want to love people the way Jesus loves us. We love You, God. In Jesus’ name, amen.”

ACTIVITY 1: SHARING

What You Need: Floor tape, paper plates, play food, a basket

What You Do:

Take the tape and make two parallel lines on the floor. Place the plates on the first line (one plate on either end of the line and one in the middle). Place the play food in the basket and set the basket in the middle of the second line. Ask the children to take the food from the basket and place them on all of the plates. Be sure the children place food on each plate.

What You Say:

“There is a lot of food in the basket (point) but none on the plates (point). Can you help me share the food in the basket to all of the plates?” (Pause and do activity.) You are wonderful at sharing! “

ACTIVITY 2: SAND VS. ROCK BUILDING

What You Need: Colored craft sticks, plastic cup, a marker

What You Do:

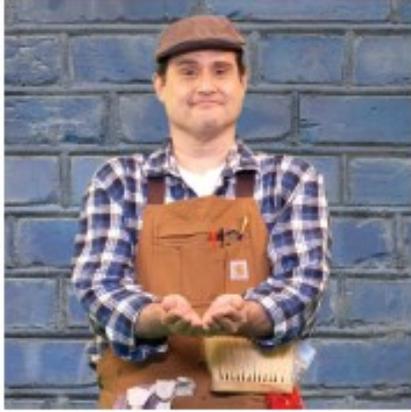

Select one craft stick in each color and use the marker to draw a small star on each one you've selected. Gather all the craft sticks and place them in the cup, making sure the stars you've drawn are in the bottom of the cup so they cannot be seen. Let the children take turns pulling out a colored craft stick. Encourage the child to name the color of the stick they've chosen. If that craft stick has a star on the bottom, they must place the stick back into the cup. If the craft stick does not have a star, let the child keep the craft stick.

What You Say:

"That was fun! You did a great job naming the colors. We started with a LOT of craft sticks. Most of you were able to keep them but some of you gave them back."
