TODAY'S HOPE IN THE FAMILY ACTIVITIES

HEY FAMILIES!

In today's Bible story, we learnt about having faith in what we can't see because of what we can see! Enjoy the at home activities with your families.

PRAY TOGETHER

“Dear God, thank You for showing us through Saul's story how You pursue us and want to speak to us. Help us to get to know You more through your Son, Jesus, so we can see our lives through Your eyes. Speak to us and show us areas of our lives that You want to change because Knowing Jesus changes the way you see everything.”

ACTIVITY 1: CHANGING THE WAY YOU SEE

WHAT YOU NEED

“Jesus Puzzle” Activity Page (printed in colour), red decoder glasses

WHAT YOU DO

- * **Guide kids to work together to assemble the puzzle.**
- * **When they are finished, ask, “Can you see what picture is on the puzzle?”**
- * **Give each kid a pair of decoder glasses.**
- * **Guide kids to put them on all at the same time then look at the puzzles.**

You can make your own red decoder glasses using red acetate sheets, or just the red part of regular decoder glasses.

JESUS PUZZLE

ACTIVITY 2: YOU CAN KNOW

WHAT YOU NEED

Pie pan, whole milk, food coloring, cotton swab, liquid dish soap

WHAT YOU DO

- **Invite kids to pour milk into a pie pan.**
- **Lead kids as they take turns carefully adding two drops of the food coloring into the milk.**
- **Instruct kids to space out their drops of color, and ask them to be careful not to bump or shake the pie pan.**
- **When they have added some color, generously soak the end of a cotton swab with liquid dish soap.**
- **Dip the soaked cotton swab into the milk next to a drop of color.**
- **Repeat the process with all the drops of color. Let kids take turns dipping the swab themselves.**
- **End by swirling the soaked cotton swab through the colors.**

WHAT YOU SAY

Adding soap to the milk completely changed how the milk looked. It was something simple changed into beautiful art.
