

PARENT CUE CARD SEPTEMBER 29

WHAT YOU DO:

Talk to your children about doing this activity for a friend: “Plan a time when you will be close to a friend’s house and drop something special off for them! You can write a card, make a special treat, or give them a special toy you know they will like. This is a great way to show you care.”

WHAT YOU SAY:

In this week’s bible story Jesus forgave Peter. It’s important to remember that friends forgive one another. Remember the verse Proverbs 17:17, “A friend loves at all times. They are there to help when trouble comes.”
