DROP THE ACT

PARENT CUE CARD OCTOBER 18

WHAT YOU DO:

Have this conversation with your child during their bedtime routine.

WHAT YOU SAY:

When you don't tell the truth, people find out. And when they find out, they might stop trusting you. Your teachers might not give you as many privileges. Your friends may not want to hang out with you. Bottom line: It's always better to be truthful. Pray for each other, that God will give you the courage to be truthful with the people in your life.
