## **TODAY'S HOPE IN THE FAMILY ACTIVITIES**

**HEY FAMILIES!**

**We can easily think that we don't have a whole lot to share with other people when in reality, everything God has given us can create a ripple of goodness in the world! The more we are faithful in sharing the small things, the more God will trust us with the big things. Saying yes to sharing what you have might lead to big opportunities to tell people about God's love!**

**PRAY TOGETHER**

**"Dear God, we are so thankful for people who share so that our world can be a better place. Help us be quick to love the people around us with what You have gifted us with. Help us remember that there is nothing too small or insignificant that You can't use to do big things. Help us know that we can always share what we have."**

## **ACTIVITY 1: MOVERS AND SHARERS**

### **WHAT YOU NEED**

**“Movers and Sharers” Activity Page, scissors, markers, paper clips**

### **WHAT YOU DO**

- **Ask kids to think of what they have to share. Encourage them not only to think through physical items, but to also think about the skills and talents they have. Give examples like singing, good handwriting, being smart, etc.**
- **Provide each kid with a “Movers and Sharers” Activity Page.**
- **Encourage kids to fill in each coupon with what they can share.**
- **Once the coupons are filled out, instruct kids to cut out the coupons and paperclip them together.**
- **Ask kids to discuss how they plan on sharing their coupons. (For example: I can share my skill at math by helping a classmate out who has a hard time studying.)**

### **WHAT YOU SAY**

**““Wow! I love hearing about all of the creative ideas you have. A lot of times, we only think of physical items and money when it comes to sharing, but God has given us so much more. From your talents to our hobbies to hard work and fun quirks, I’m so thankful that He has given you endless opportunities to share what you have.”**

## **ACTIVITY 2: SHARE AND SHARE ALIKE**

### **WHAT YOU NEED**

“Share and Share Alike” Activity Pages printed , Bibles, markers and/or crayons

### **WHAT YOU DO**

- Guide kids to point to the words as you read the verse aloud.
- Lead kids to draw pictures of themselves sharing with someone.
- Ask prompting questions if kids are stuck for what to draw:  
Could you share with a friend? Who? What could you share with them?  
Could you share with your brother or sister? What could you share?
- When kids finish, encourage them to “share” their drawings or dramatize their ideas for you.

### **WHAT YOU SAY**

“Everything that we have comes from God. And God wants us to be responsible and share what He gives us. You have great ideas for how you can share what you have. When you share with others, you show them that you love them and that God loves them, too. You also show God that you can be trusted with both small AND big things. So remember, share what you have.”

# SHARE AND SHARE ALIKE

**"Suppose you can be trusted with something very little.  
Then you can also be trusted with something very large."**

**Luke 16:10a, NIrV**
