TODAY'S HOPE IN THE FAMILY ACTIVITIES

HEY FAMILIES!

God has given you a lot—sometimes you just need to get creative with how you use what He's given you. Maybe God has given you a talent, like you're a good artist. How can you make the most of that talent? Pray together and think about how you can share your talent to help others around you. Get creative!

PRAY TOGETHER

“Dear God, thank You for giving us everything we need to live out the plan You have for us. When we face situations where we are left wanting more or for something different, help us cling to the truth that You take care of all our needs. Help us remember that each and every day we can show responsibility and make the most of what we've been given.”

ACTIVITY 1: USE WHAT YOU'VE GOT

WHAT YOU NEED

"Use What You've Got" Activity Page, pens

WHAT YOU DO

- Encourage the kids to look at the list of things on the left column. Discuss how the things in the left column are all things everyone has.
- Instruct kids to draw a line from the things on the left column to something in the right column that needs to be accomplished in the world.
- Invite the kids to fill in the empty circles on the page with their own ideas
- Some of the connections kids make are somewhat abstract. Help your concrete thinkers stretch their minds a little bit. If they seem stuck, ask questions like:
What could you use to help someone who needs someone to stand up for them?
What could you use to share the story of Jesus with someone?

WHAT YOU SAY

Sometimes the world tells us we need even more, bigger, or better things to accomplish something great. God tells us He will give us what we need to accomplish His plans! And His plans are really awesome! That means all you have to do is look around and make the most of what you've been given. These are all great ideas we just talked about on our paper. Which one of these things do you look forward to making the most of this week?"

ACTIVITY 2: SPELL IT OUT

WHAT YOU NEED

“Spell It Out” Activity Page—letters cut out, Bibles, bags

WHAT YOU DO

- Encourage kids to open their Bible and review the memory verse.
- Set a bag of memory verse letters about 15 feet across from your child.
- Explain that all of the letters in the memory verse are in the bag. Kids will use the letters in the bag to form their memory verse as fast as they can.
- Time them to see how fast they can put the verse together.
- Repeat if interest allows to see if they beat their previous time.
- Ask kids to put their letters back in the bags when the game is over

WHAT YOU SAY

“Way to go! The more letters you pulled out of your bag, the easier it became to form the words. That reminds me of our memory verse! Let’s read it together. (Read aloud) The more you show that you can be trusted, the more you will be trusted with. It was a bit challenging in the beginning, when you didn’t have all of the letters, but you worked with what you had and finally reached the end of the verse! No matter what you have, you can always make the most of what you’ve been given.”
