TODAY'S HOPE IN THE FAMILY ACTIVITIES

HEY FAMILIES!

THREE times Isaac chose to walk away from a fight. He kept digging new wells until the Philistines stopped arguing with him and God gave him peace. You can show you care about others by walking away from a fight, too. Can you walk away when someone says something unkind to you? (Yes.) Can you walk away when someone doesn't treat you fairly? (Yes.) Let's pray and ask God to help us walk away from a fight.

PRAY TOGETHER

"Dear Jesus, You loved us SO much that long ago that You chose to walk away from a fight. You let Yourself be arrested and put to death on the cross, even though You hadn't done anything wrong. You did it to make peace with us, once and for all. Thank You that with Your help, we can walk away from a fight, even when it's hard. We love You, Lord. Amen."

ACTIVITY 1: DIGGING UP THESE WELLS

WHAT YOU NEED

“Answer Key” Activity Page, “Question Cards” Activity Page, cups, crinkle paper

WHAT YOU DO

- Ask kids to cut up their Question cards activity page and fold it small
- Give each kid a cup to make it into a well. They will need to fill their “well” with crinkle paper and their folded Question cards.
- Explain that kids will dig through their “Well” cup to find the question buried in it.
- The goal is to dig through the “Well” cup with little or no spills.
- Instruct the kids that once they find the question, they can write the answer to the question on their cup. If they don’t know the answer, they can refer to the Answer Key.

WHAT YOU SAY

“Isaac is a great example for all of us! He trusted God, and this gave him the ability to confidently walk away from a fight each time. It definitely wasn’t fair! Isaac could have stayed and fought, but he knew that keeping peace was more important than keeping those wells. Just like God honored Isaac’s efforts and blessed him in the end, He will honor your efforts to make peace with others, too.”
