Memory Verse:

"God's way is perfect."

2 SAMUEL 22:31, NIrV

HEY FAMILIES,

Our Bible story, today, was about a man named Gideon. He was leading God's army. I'm sure there were times when they had to be very quiet, too, so no one found them! Gideon had to trust that God's way is perfect, even when he didn't understand what God was doing. There may be times when we have to do that, too. That's why I'm glad we're learning to trust God's way.

PRAY TOGETHER!

"Dear God, thank You for loving us. I pray we will trust that Your way is perfect. I pray we will be brave enough to tell others that Your way is perfect. And I pray we will go Your way, even when we don't understand. Thank You for loving us and helping us go Your way. We love You, God. In Jesus' name, amen."

2 SAMUEL 2

ACTIVITY 1: GIDEON'S FLIP ARMY

What You Need: : "Gideon's Flip Army" Activity Pages; cardstock; paper towel tubes; glue sticks; scissors; crayons; and permanent marker

What You Do:

Copy "Gideon's Flip Army" on cardstock and cut. Encourage children to color their papers. At one end, wrap the blank part of "Gideon's Flip Army 1" around the tube and glue down leaving Gideon as a flap. Wrap all pieces of "Gideon's Flip Army 2" around the tube and glue leaving the army as flaps. Demonstrate how to fold down the army.

What You Say:

"Let's use this to review our story.

"God told Gideon to put together an army. (Make sure all of the army is upright.) But God said his army was too big. Gideon said if any of the men were scared, they could leave the army. Put the first army down. (Demonstrate.) God saw the army and told Gideon it was still too big. He told Gideon to take the army to the water, and if they put their face to the water to let them go home. Put the second army down. (Demonstrate.) The army Gideon was left with was small and just the right size. Gideon went God's way, and the army defeated the Midianites."

AFTER THE ACTIVITY: "When God asks us to do something, it doesn't always make sense to us, but we can trust that God's way is perfect. Whose way is perfect?
God's way is perfect."

What You Need: : No supplies needed

What You Do:

Gather the children in your activity area. Encourage them to spread out and crouch down on the floor on all fours. Have the children pretend they are frogs and hop around the room.

What You Say:

“Come gather here with me. Everyone, put your arms out straight like this (stretch out your arms) and spread out. Make sure you're not touching any other friend.

“Great job. Now, let's crouch down like this (crouch down on all fours), and let's jump, jump, jump just like a frog! Remember, be careful not to jump near a friend so no one gets hurt! Let's jump, jump, and go God's way.”

AFTER THE ACTIVITY: “That was fun! You can stand up now. You did a great job of jumping and going God's way! It's important to remember that God's way is perfect. Whose way is perfect? God's way is perfect.”
