

First, watch
this week's
video!

Wisdom:
finding out
what you
should do
and doing it

Memory Verse

"If any of you needs wisdom, you should ask God for it. He will give it to you. God gives freely to everyone and doesn't find fault."
James 1:5, NIV

Bible Story

Wise People
See Danger
Proverbs 22:3

Key Question

What could keep you from being wise?

Use this guide to help your family learn how God can help us find wisdom.

Activity

Mega Tic-Tac-Toe

What You Need:

Masking or painter's tape, six sheets of paper, marker

What You Do:

Using the tape, create a large tic-tac-toe board on the floor. Draw a large "X" on three sheets of paper. Draw a large "O" on the other three sheets.

(If you don't have tape, you can adapt the game by drawing a board on paper and cutting out smaller pieces for your "X" and "O" markers.)

Let your child choose either the "X" or "O" sheets of paper. Then play a game of tic-tac-toe together on the floor!

Say, "Think about your next move! Where do you think I'm going to go next? Where do you think I shouldn't go next? Tic-tac-toe takes a lot of thinking!"

Talk About the Bible Story

In a tic-tac-toe game, you have to be careful, pay attention, and think before you make your choice. If you don't stop and think, you might lose the game. Why is it important to think before you act? (*so you can make the wise choice*)

Why is it sometimes hard to remember to STOP and THINK?

What are some things we can THINK about to help us ACT wisely?

Can you think of a time when you wish you had thought before you acted?

Parent: Talk about a time when you thought before you acted. What were the (positive) consequences of you thinking it through?

Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

"God, we want to be wise people! It's so true that wise people can see danger coming . . . and they do whatever it takes to stay safe. Help us to see the things that can keep us from making wise choices. Help us to know when we need to STOP and THINK before we ACT. Please show us Your wisdom, God! Amen."
